Supreme Court Review - Implications for Employers

- While we are all waiting for the US Supreme Court ruling later this week on the constitutionality of the health insurance mandate in the Patient Protection & Affordable Care Act of 2010 (a/k/a ObamaCare; Affordable Care Act; Health Care Reform) it would be wise to review and prepare for all the possible contingencies. A friend of the firm has prepared a great implications newsletter, that is well worth the time to read. Click [here](#) to read more.

- What if the Court rejects Health Care Reform? Look at the Tax and Benefit issues - how to undo what has already been done. [Read this article](#).
